## **Control and Management Subcommittee**

### **Breakout Session Agenda – May 22, 2012**

1. Review the biological control white paper outline and assign sections for writing and a timetable for completion.
2. Review the Federal agencies response to the action item in the winter meeting 2011 to determine the potential course of action for recommendation of IR4's ability to make substantive contributions to securing new/additional use registrations for herbicides to combat invasive plants in natural areas and other noncrop area settings, as well as in rangeland.
3. Other Issues
